

# Statement of Commitment to Child Safety

Toyota Landcruiser Club of Australia (SA) Inc (TLCCSA) is committed to child safety.

We want children to be safe, happy and involved. We support and respect all children and will actively work to listen to, involve and empower children.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously.

It is TLCCSA expectation that children under the age of 18 participating in a Club Trip/Events will be adequately supervised by parents/guardians.

Children under the age of 18 accompanying any adult on a Club Trip/Event will remain the responsibility of the parent/guardian/caregiver and will continue to be supervised by them.

It is not the responsibility of Club Members or a Trip or Event Leader, or any other Member to assume supervision of other people's children.
